## Retirement & Fair well

**Gail Riley embarked on retirement November 30th  
Rochelle Oscar-Few moved onto a new career in August  
Sue A & Paul S also retired from CPP this year  
Wishing you all the very best in the next chapter!**

**A look back at 2022....it's hard to imagine that another year is coming to a close! In spite of COVID still hanging around and causing some inconveniences we have persevered and really have had a wonderfully, successful year!**

**In the Community Participation Program we have a dynamic team, who are the recent recipients of our 'Cheers for Peers' award, in recognition of their outstanding abilities and achievements. This year we wished Gail Riley all the best as she started her journey into retirement life, she was a dedicated staff for the past 20 years and will be missed by staff and participants alike. We are looking forward to welcoming two new Full-Time staff early in the New Year to help realize our vision of transformation and growth.**

**In the Supported Employment Program we are undergoing some big changes in the way we provide supports to people, amidst all of that, we have successfully supported people in achieving their ultimate goal of obtaining paid employment! Last but certainly not least in day supports is the Volunteer Services Department, after several years of dedicated, tireless work Sharon Burgess and our volunteers were the recent recipients of the Accessibility Award through the Town of Ajax!**

**I want to say thank you and congratulations on this well deserved recognition. I hope you enjoy taking a few moments to look over some of the many memorable activities, events and achievements that took place this year. I would like to give a special shout out to Nicole Mavin who did not hesitate to say yes when asked to put this together for all of us to enjoy!**

**Wishing you all a safe and Happy Holiday Season.**

**I cannot wait to see what 2023 will bring!!**
